DUKE AND GENOVES IN RACE ACROSS OCEAN AND CONTINENT

Swimmers Won't Have Time to Do Much More Than Get Into Their Racing Trunks After They Reach Chicago—Rawlins Unable to Accompany Them.

Duke Kahanamoku and Vincent Genovesi, the Hawaiian swimmers who are going out for national and possibly international honors, will leave for the Coast tomorrow morning on the Honolulu. Lewis G. Henderson, now employed as a draughtsman at the naval station, will go with them as manager, teacher and general guide. Henderson takes the place of W. G. Rawlins, who found at the eleventh hour that he could not make the trip, and who left for Hilo this morning.

Duke will enter the 50, 100 and 250-yard dashes, and Genovesi will go into the 100 yards and the 500 if the latter event appears on the Olympic program.

Both men are fit and in the best of spirits over the prospect of the trip. They say that they will take every possible care of themselves, and obey instructions to the letter, and both are confident of success.

Henderson, who goes along as third man, has had considerable experience both as an athlete and as an amateur trainer. He is a member of the Hui Nalu Club and is a good friend of both Duke and Genovesi.

Coast papers which arrived this morning brought the news that James E. Sullivan, secretary-treasurer of the

Amateur Athletic Union and chairman of the Olympic games committee, has been seriously ill, but is now recovering. This probably accounts for the apparent indifference of the A. A. U. to furnishing information about the Olympic swimming try-outs to the local press. Sullivan is the head of the Amateur Athletic Union, and probably correspondence was dropped when his illness became acute. That he is now able to attend to business is evidenced by the fact that the cables received here during the last few days are from him.

Preparations for organizing the American team to the Olympic games at Stockholm in July are already under way. With the experience of having handled three such teams to the Olympic games in the past, Sullivan's knowledge at this time is invaluable.

Mike Murphy, the University of Pennsylvania's trainer, who has been selected to condition the American team to the Swedish games, is still confined to his room, and encouraging reports are not forthcoming as to his condition. It is doubtful if he will be able to attend to his duties for some time, and with the additional worry of handling the Pennsylvania squad, Murphy's progress is likely to be slow.

YACHT CLUB HEADS MEET

The newly-elected board of directors of the Hawaii Yacht Club held its first meeting last night, and laid the foundations for an administration resting on the firm basis of solid business and clean sport, which should spell success for the 1912 yachting season.

No definite action was taken, the meeting being a sort of get-together affair for the club officers themselves. The proposition of holding a large banquet for the club membership in the near future, which was broached at the general meeting last week, came up again, Captain Miller being appointed chairman of a committee to take the matter in hand. The banquet will be held within the next few weeks.

LOCAL ARMY MAN ON OLYMPIC TEAM

WASHINGTON, D. C., Jan. 26.—Preparations are already being made by the United States army for participation in the Olympic games at Stockholm, Sweden, next July. Five officers have been assigned to prepare for the trip, though the army team probably will be composed of only four.

Those selected are Captain Guy V. Henry, cavalry; First Lieutenant Ben Lear Jr., Third Cavalry; John C. Montgomery, Seventh Cavalry; E. F. Graham, Fifteenth Cavalry; and Second Lieutenant Quakenbush, Fifth Cavalry. Captain Henry and Lieutenant Graham were on the team which represented the army at the Horse Show in London.

Four of these officers are at present at the army mounted service school at Fort Riley, and Lieutenant Quakenbush has been ordered to that post from Honolulu.

FOR THE STOMACH

Here's an Offer You Should Not Overlook.

Rexall Dyspepsia Tablets remedy stomach troubles by aiding nature to supply the elements the absence of which in the gastric juices causes indigestion and dyspepsia. They aid the stomach to digest food and to quickly convert it into rich red blood and material necessary for overcoming natural body waste.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket, or keep them in your room. Take one after each heavy meal and prove our assertion that indigestion will not bother you.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail we will refund your money. Three sizes: 25 cents, 50 cents, and \$1.00. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.

ENGLAND DEFINES LAWN TENNIS AMATEUR

Curious as it may seem, the National Lawn Tennis Association of Great Britain has never clearly defined, until this season, the point as to what constitutes an amateur player. For the past two seasons the British association has urged on the National Association of the United States a very stringent set of rules on this subject and has held its own course open in order that they might if possible secure a common ground, which is desirable because the two nations are recognized as leaders in the game and their experts meet on many occasions.

America has steadfastly refused to change her rules, which have been in force for a long time, and which have proved satisfactory, and, as a result, the following definition was finally adopted by the English authorities:

- An amateur lawn tennis player is a person who—
(a) Has not played the game for money prize, stake bet, wager or other monetary consideration.
(b) Has not competed at the game for a prize with or against any person other than an amateur.
(c) Has not taught, pursued or assisted in the game for pecuniary gain, except at school or college, where the engagement also includes scholastic duties.
(d) Has not procured money or pecuniary advantage by means of prizes won.
(e) Has not accepted money, traveling expenses or other monetary equivalent (except hospitality at a private home) for playing the game in any tournament; but a player representing an association or club may receive necessary traveling and reasonable hotel expenses from such association or club through its recognized officers if permission has been previously obtained from the council of the National Association.
(f) Has not accepted money or monetary equivalent for playing the game with and thereby advertising the goods of any manufacturer, agent or retailer of lawn tennis requisites.
(g) Is not distinguished as an amateur in any other line of sport.

These rules are practically identical with those of the United States Lawn Tennis Association and do away with all possibility of friction on this important point.

WORLD'S BOWLING RECORD SMASHED

SACRAMENTO, Cal., Jan. 27.—C. O. Tenquary, member of a local bowling team, broke the world's record this week, when he bowled five games in succession with a total of 1265 pins, or an average of 253 1-5 points a game. The former record was held by George Vanderrink and Henry Martin of St. Paul, Minn., who had an average each of 252 1-5 points to a game for five games.

INTER-NATIONAL BALL LEAGUE FOR HONOLULU LATEST

Portuguese, Japanese, Chinese and Hawaiian Teams Will Form Organization.

An international league is the plan of local baseball magnates for the 1912 season. A strong four-club organization, composed of a Hawaiian, a Portuguese, a Japanese and a Chinese team, is the scheme in mind, and if possible it will be worked up and perfected before the first ball is hit at Athletic Park in league competition.

Last year in the Senior League there were Portuguese playing on the Japanese club, and Hawaiians on the Portuguese. There was a general mixture of races which distracted from the interest of competition.

A. Q. Marcellino, who managed the affairs of the Oahu League successfully last season, has the details in hand, and will start the entering wedge next Sunday, when a benefit double-header for the Asahi team, champions of the Junior League, will be played at Athletic Park. The Asahi will probably be the Japanese team in the new league. They will come up against the Stars in the second game Sunday.

The first game will be between the Aeahi Juniors and the C. Y. A., a local Chinese team. Each team has won two games from the other.

A BASEBALL CALENDAR TO SUIT ANY YEAR

January—Club magnates sent out contracts. Players sent them back unsigned with threats to return to farming, paperhanging and barbering. February—Club owners get a look at the schedules and declare they are perfectly satisfied. They have to say so for their protests would be in vain. March—Clubs train for the summer campaign. Glowing reports come from the South touting the recruits as embryo Cobbs, Matthews and Lajoles.

April—Season opens. Usual crop of players with bad arms. Recruits do not look so good.

May—Recruits start back toward the minor leagues. Supposedly cellar champions are neck and neck for the leadership of the league.

June—Class begins to assert itself. Weaker teams on paper drop back to the second division.

July—Old-timers hit like a house afire and recruit promotions take seats in the back ground.

August—Club owners announce they certainly will be one-two-three the following season.

September—Fourteen clubs in the two big leagues try out recruits. Other two don't have to.

October—Ticket scandal occupies columns in the papers. Incidentally, this is the month of the world's series.

November—Ticket scandal echoes.

December—Big league magnates meet, talk trade and don't trade. Bark a little at their rivals and then go home and say they don't mean it. Every one claims a first division team for the following season.

TENNIS MEN START HOME

The American tennis team said goodbye to Honolulu this morning. When they boarded the Sierra, Larned, Wright and McLoughlin received at most an ovation from their many friends here, and the regret of departure was mutual. The good-byes were more tempered than those said when the Zealandia carried the men off last November, on their outward journey, but it was a good send-off all the same, and a general invitation to go cupping again and give Honolulu another call.

The players had a rattling good time during their six-day stay here. "I wish I could stop over another hour," said Larned, "but business is business, and we've all had a pretty long vacation." Wright and McLoughlin subscribed to his sentiments.

AMERICAN JOCKEYS INVADE ENGLAND

LONDON, Eng. — The 1912 turf season in England and Europe will be a prosperous one for American jockeys, according to the present outlook. It is estimated that a little coterie of about a dozen riders from the United States will receive \$2,000,000 for their services. Most of them will ride for rich Americans who are maintaining stables on this side of the Atlantic. There has been an influx of jockeys from the United States ever since racing was killed here, and now the foremost riders on the big tracks in England, France, Germany, Russia, Austria and Belgium are Americans. Among them are Danny Maher, "Skeets" Martin, Johnny Reiff, Eddie Dugan, Nash Turner, Guy W. Garner, Frank O'Neill, Willie O'Connor, Willie Shaw and Milton Henry.

MAUI HAS THE BOWLING CRAZE

Puunene and Wailuku Roll Match Game and Kauai Teams Will Also Enter.

(Special Bulletin Correspondence.)
WAILUKU, Feb. 2.—The match game between the Puunene and Kauai bowling teams will come off in the near future. The Puunene bowling alley is being repaired and will soon be in first-class condition, which would enable such experts as J. B. Thompson, H. E. Savage, W. Walsh and others to roll off 200 or more with ease.

At the Wailuku gymnasium a friendly bowling game, which was only arranged last Monday, came off last evening, many of the wives of the Puunene players being interested spectators.

The teams were composed of the following players:
Puunene—C. C. Campbell, E. A. Diemert, W. Lougher, H. E. Savage, J. B. Thompson, Wm. Walsh.

Wailuku—E. A. Watson, J. H. Kuneva, C. S. Chillingworth, Wm. Bal Jr., Fred Voshier, C. C. O'Leary.

Puunene won the first and third games by five and one points respectively, while Wailuku won the second game by 193 points, but total pinfall counting, the Wailukus won, scoring 2512 points to their opponents' 2322. Some two months ago the Puunenes won from the Kauai team. The Puunenes were new to the Wailuku alley, which is poorly lighted, and were much handicapped. Among the highest scorers of the evening were Fred Voshier and E. A. Diemert, with 166 points each; W. Bal Jr., 164; J. H. Kuneva, 147. The match game commenced at 7:30 o'clock and ended at 11 o'clock, the most friendly spirit prevailing throughout the entire game.

These games will be continued alternately at the Puunene and Wailuku gyms. The ladies showed much enthusiasm during the game and were generous in their applause.

POLICE COURT

In the police court this morning Judge Monsarrat sentenced Fukuda, a Japanese, to thirty days' imprisonment for being unlawfully on the premises of the Shinshuya Hotel last Sunday morning at 3 o'clock, where he intended to steal certain articles from the house.

Frank Neumann, a soldier, arrested for assault and battery, was fined \$15 and costs of court. He stated to the court that his record was good and that he had never previously been brought before a court for violation of any law. He asked Judge Monsarrat to be lenient with him. Brown stated that the court was bound to give its decision according to the evidence adduced in court. Judge Monsarrat considered the evidence sufficient and fined the defendant as stated above.

George E. Baker was up for assault and battery, and his case was postponed until tomorrow morning.

See Sunz and Sing Wo Kee were up for violating the health regulations. Frank E. Baker was up on a charge of assault and battery and was fined \$5 and costs of court.

D. Guanssen will be tried tomorrow morning on a similar charge.

Magistrate Appleton, in the Harlem court, told Assemblyman M. J. McGrath that he firmly believed that the whipping post should be re-established for wife-beaters.

The Brunswick-Balke, who occupy second place on one of the inner boards, were the first to make the league leaders shut down their flag of straight victories. They took two out of three from the Cosmos and won in a series that was not particularly close and that was characterized by some very breaky scores.

For the B-Bs, Wilkinson had high score with 196, while P. Schmidt had high average, 167.

For the Oahu A. Howard took both high score and average, 193 and 167 respectively.

STRIKES AND SPARES.

Rantz says he can "smile through it all."

"The 'V' alleys are getting a coat of shell."

Robinson showed some championship form in the last game, getting four out of five splits.

Next game—Bank of Hawaii vs Brunswick-Balke, this evening at 7:45. This is a postponed game.

"Just wait till the new pins arrive!" Well, the new pins have arrived, and now just look at the scores.

"Give me the old pins every time," remarked M. Emmons as he delivered strike (3) balls at the upstanding wood.

Wednesday at 7:45—Liaet Club vs Oahu.

Thursday at 7:45—Cosmos vs Stragglers.

Friday at 7:45—Players vs Honolulu.

What healthy Nerves Mean to You.

A strong vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better, to work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or nervous. She is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or triple duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "glue to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar oriental properties of

Persian Nerve Essence

These wonderful little tablets contain no mercury or other injurious drug. They act like magic. The bright eye, the elastic step, the clear and active brain, the courage and strength and content they impart are noted almost from the first day they are taken.

One box of Persian Nerve Essence will do a great deal of good, the full course treatment of six boxes are guaranteed to make a permanent cure or the money will be refunded.

The proprietors, The Brown Forest Co., 95-97 Liberty St., New York, N. Y., U. S. A., expressly advise every sufferer to give Persian Nerve Essence a trial for trial of their risk. Don't delay, commence today, the preparation can be obtained from

CHAMBERS DRUG COMPANY.
